

## Jaguar XKs are coming!

On Tuesday 27th June, classic Jaguar XKs will be driving between Cromer and Maldon as part of a charity drive to raise funds for Prostate Cancer UK.

First run in 2016 and organised by the Jaguar E-type Club, the event was phenomenally successful, and raised over £65,000.

This year it is the turn of the International XK Club, who have arranged for a platoon of Jaguar XKs to take part in a 4,000 mile, 18 stage drive around the coast of Britain.

### See Them Here!
